

## **CALLING ALL OUTSTANDING TEACHERS AND TEACHING ASSISTANTS!**

Are you an outstanding teacher or teaching assistant who feels stifled by the mainstream system? Are you an exceptional, creative person who really wants to make a difference every day to the lives of the most vulnerable children?

Do you want to be driven by a sense of moral purpose rather than data? Do you want high quality professional development and support? Do you want to teach small classes where getting to know the children really well is a priority and a pleasure? Do you want to work with highly supportive colleagues who share your values and ethos? Do you want to work in an organisation that supports career progression and has opportunities beyond your own school? Do you want to be involved in educational research and development? Do plans to move to new-build accommodation excite you?

If the answer to these questions is yes, then why not come and work for an organisation who truly believes that there is another way?

Springwell Lincoln City Academy – part of The Wellspring Academy Trust – is recruiting teachers and teaching assistants to work in their centres in Lincolnshire. We currently have centres in Lincoln, Gainsborough, Baumber, Mablethorpe and Boston. As of late 2018 / 2019, this will change to brand new, state of the art schools in Lincoln, Spalding, Grantham and Mablethorpe. These are specialist and alternative settings where all of the above can be achieved with commitment, resilience and a dedication to working differently.

**We are holding a recruitment event on Saturday 4<sup>th</sup> November 2017, between 10am and 12pm, at Springwell Lincoln City Academy, Smith Street, Lincoln LN5 8HY**

If you're an experienced teacher or teaching assistant looking for a new adventure, or a newly-qualified (or soon to be so) teacher, please come along and have a chat with the Executive Leadership Team about our current and future opportunities.

For more information about the school, please visit our website:
