Springwell Mablethorpe Recruitment Event

Springwell Learning Community, Lincolnshire are recruiting staff for our new Mablethorpe school. The school will open in June 2019, for 63 young people from the local area. The school will provide education for young people with SEMH and other barriers to learning.

A school should be the heart of the community and we aim to work in partnership with the local community, ensuring we provide the best opportunities for our young people.

The Mablethorpe school is specially designed to provide a positive learning environment, allowing staff to offer a creative and bespoke curriculum, tailored to meet the needs of our young people.

We are looking to recruit Teachers for all Key Stages (including TLR responsibilities), Level 1 classroom Teaching Assistants, Level 2 Teaching Assistants to be part of our Care Team and Intervention Teams and Higher Level Teaching Assistants.

We are a proud member of the Wellspring Academy Trust, supporting schools across multiple local authorities.

If you would like to find out more about Springwell Lincolnshire and working for the Wellspring Academy Trust, please come to our recruitment event on

**26th January 2019,
10am til 12pm,
at our Springwell
Mablethorpe site**

where you will have the opportunity to talk to staff about our setting and have a tour of the new site.

Springwell Mablethorpe, Seaholme Road, Mablethorpe LN12 2DF
