## About Springwell Lincolnshire

Springwell Lincolnshire Alternative Provision, part of Wellspring Academy Trust, provides a caring, nurturing and developmental environment for young people who are unable to remain in mainstream education.

We are determined that after receiving our support, our students move on to their next destination having felt known, valued, understood and educated.

We are building four new schools in Lincolnshire under the Free Schools Programme. The Trust is working with Partners in the Department for Education to build schools in Mablethorpe, Lincoln, Grantham and Spalding. As the schools open they will be named Springwell Alternative Academy, followed by their location.

### Students supported by the school

Springwell Lincolnshire has a core purpose to deliver education programmes for challenging or vulnerable children and young people who are not in school for a variety of reasons.

We are responsible for:

- Pupils who are unable to remain in mainstream education
- Children and young people who are at risk of not being able to remain in mainstream education

### Message from the Senior Executive Principal

It is an exciting time for myself, the staff and the pupils here at Springwell. There have been many changes over recent months and there are many more to come. The Wellspring Academy Trust, in partnership with Lincolnshire County Council and the Department for Education are investing significant amounts of money in providing the best possible education for the children of Lincolnshire who can no longer access mainstream education. It is our intention to develop state of the art alternative provision across the county so that our pupils are given the best possible chance in life.

Our values are fundamental to everything we do. Although we believe in high standards we also understand that we are working in a complex world. We believe in second chances, unconditional positive regard and a culture of nurture and support. With that in mind, we aim to provide the best possible opportunities for all our pupils to develop and thrive in a climate of support, guidance and authentic care.

We also value the support of all our families and believe that if we work in partnership, understand the collective challenges and face them together then we can really make a difference.

### Some testimonials from staff who have progressed into more senior roles throughout their time here:

*"I started in the position of Pastoral TA for the first year; I have now been promoted to Pastoral Manager. I have achieved this by hard work, good support and guidance given to me, and being committed to my job. My Line manager always gave any support or guidance I needed, she also gave me the confidence and opportunity to take on more responsibility within my job role."*

*"I joined the Boston site as a caretaker in February 2017. In the September I started as a TA and I love it. So far I have been Team Teach trained to Advanced level, trained in Emergency First Aid, Nurture and Restorative Practice. The training is endless and the opportunity to progress is endless."*

*"I think I've developed a great deal since I started as a TA in Sept 2016. I'm now half way through my Straight to Teaching program, on the way to becoming a qualified teacher, for which I have been supported greatly by Springwell Lincs."*

*"I began working as SENDCo in May 2017 which took me all over Lincolnshire and into many schools. I quickly settled in to the friendly team at Springwell and straight away was able to 'make that difference' I was hoping to do. Within 5 months I was made Head of Centre and now am responsible for the day to day running of the Centre. I have great support from both my team and line manager and can say that I am extremely proud of the Centre and the children that attend."*
